Project:

Write a paper (500 – 1000 words<sup>1</sup>) or create a PowerPoint slideshow (for teaching 90-minute class<sup>2</sup>) on one of the following topics:

1. Is a *Via Media* needed today and are North American Anglicans (pick your flavor) fulfilling that role?
2. What from our Anglican heritage could cause Diocese of Central Florida parishes to grow at a rate similar to that seen in some developing countries?
3. Is visible unity in the Body of Christ desirable, and if so, how might Anglicans work toward such a goal?

Projects are due February 7, 2017 Submit via email to

<sup>1</sup> The paper should be typed double-spaced, with 1-inch margins and 12-point font. Please support your paper with appropriate references. References may be given either in footnotes or endnotes, using one of the standard styles (e.g., Chicago/Turabian or MLA).

<sup>2</sup> Provide sufficient “notes” in the notes section of each slide, so that a reasonably experienced teacher can read through the notes and then teach the class, using the slides.
