

Feasts and Festivals – Why Leviticus isn't boring.

When you ask someone what their least favorite book to read in Bible is more than likely they will refer to Leviticus. The reason is that it seems filled with the Do's and Don'ts. Do this and don't do that. The result is we skip over the richness of what we experience in our worship today. Throughout the book of Leviticus, we find a thread that connects us to past e.g. what does the Peace Offering have to do with worship today. In this course we will explore the connection of the Feasts and Offerings of the past with our worship today and you will discover that Leviticus is not boring.

Partial bibliography for this course:

Holiness to the LORD by Allen P. Ross, Baker Academics, 2002

Christ in the Passover by Ceil and Moishe Rosen, Moody Publisher, 2006

Christ in the Feast of Pentecost, David Brickner and Rich Robinson, Moody Publisher, 2008

Messiah in the Feast of Israel, Sam Nadler, Word of Messiah Ministries; 1st edition (July 20, 2007)

Christ in the Feast of Tabernacles, David Brickner, Moody Publishers; New Edition edition (May 1, 2006)
